

# HW93660 10 Ton Manual Service Jack

- Dual piston action provides speed to contact and power to lift
- Long chassis for hard to reach points
- Handle adjusts to three pumping positions
- Heavy gauge, steel frame helps prevent distortion
- T handle with release knob for exact positioning of load
- Sealed hydraulic unit keeps out grit, grime and moisture
- Large full swivel lifting cap and ball bearing casters make positioning easy
- Cast lift arm for heavy loads
